PLANNING FOR THE NEW EARLY LEARNING MODEL

Harnessing Potential in the Next School Improvement Grant Cycle

http://ceelo.org/ | http://centeronschoollturnaround.org/
Objectives

- Provide opportunities for early learning and SIG directors to work together
- Explore the new early learning model
- Consider critical issues:
  - Role of principal as an early learning leader
  - Expansion of pre-K & scaling up FDK
  - Use of teacher evaluation data
  - Use of assessment data to differentiate instruction
- Share Relevant Resources

Agenda

- Welcome - Introductions – Jana Martella
- Administration Perspectives- Deborah Delisle
- SIG Review – Carlas McCauley
- Recommendations & Resources for the Early Learning Model – Lori Connors-Tadros, Lenay Dunn, Carlas McCauley, Jana Martella
- View from the state of Indiana – Charlie Geier
- Q & A and discussion with the audience

Early Learning in the USED

The President’s Education Vision

- Office of Early Learning
  - RTT-Early Learning Challenge
  - Preschool Development Grants
- Interagency Policy Board
- Integration of Early Learning in USED
  - ESEA - Title I
  - New Rule for SIG Early Learning Model

Intro to the SIG Program

- Lessons learned from the previous SIG
- Changes–requirements in the new rule
- Timeframes for state to district planning
- Transition from continuation grants and planning for the next competition

8 – Components of the Early Learning Model

1. Early Learning – FDK, prek, job-embedded PD
2. New principal as early learning leader
3. Implementing evaluation & support systems from the transformation model
4. Teacher and principal evaluation – incentives and improvement
5. Recruiting, retaining, rewarding excellent staff
6. Instructional program – alignment and developmental practice
7. Using data to inform and differentiate instruction
8. Job-embedded, intensive, ongoing professional development

1. Implementing Key Early Learning Strategies

Offer high quality full-day kindergarten

- Full-day-everyday program
- Developmentally appropriate environment
- Comprehensive curriculum
- Teachers trained in working with and instructing young children

RESOURCES

- NAECS-SDE Kindergarten Power Statement

1. Implementing Key Early Learning Strategies

**Establish or expand high-quality preschool -**

- Alignment with state’s early learning standards
- Implementing research-based curriculum
- Effective use of data to differentiate instruction
- Stimulating teacher-child interactions
- Job-embedded professional development

**RESOURCES**

6. Instructional Program - Issues of Alignment and Developmental Practice

7. Using Data to Inform and Differentiate Instruction

Aligned high quality practice in K-3

- Similar to prekindergarten:
  - Aligned developmental standards K-3
  - Research-based curriculum
  - Effective use of data to differentiate instruction
  - Stimulating teacher-child interactions
  - Job-embedded professional development

RESOURCES

- New Early Childhood Indistar® Indicators #15-20 (6)

2. Principal Replacement

Best Practices

- Select leaders based on competencies needed in a turnaround environment
- Look internally and externally
- Examine past performance and multiple points of performance data

RESOURCES

3. Implement Evaluation and Support Systems included in the Transformation Model

4. System of Improvement Aligned with the Teacher & Principal Evaluation System

**Best Practices**
- Examine multiple data points to assess effectiveness
- Provide opportunities for professional growth
- Coach and support

Putting the Pieces Together

Indiana Department of Education
Office of Early Learning and Intervention
Charlie Geier, Director of Early Learning and Intervention

- What the new early learning model means for the state of Indiana
- Examples of how Indiana is working to support the key components of the SIG, particularly early learning
Building Background: Current Early Learning Work

- Early Learning Advisory Committee with over 140 participating in 8 workgroups
- New QRIS Traditional Pathway for Public Schools
- On My Way Pre-K 5 County Pilot
- Indianapolis Preschool Scholarship Program
- Working in convergence within the Indiana Department of Education and across state agencies
IN Considerations

1. Build Indiana’s early learning infrastructure and the current work
2. Create IN conditions based on previous implementation and state priorities
3. Introduce outcome artifacts as part of renewal process to create a bank of state resources
4. Provide clarity through planning
5. Ensure sustainability
The Foundations for a High-Quality Early Learning Infrastructure

Birth to 3rd Grade Continuum

1. Accountability and Improvement System
   - Aligned Early Learning and Academic Standards

2. Transitional Protocols

Grade | Early Learning Experiences | Pre-K | Kindergarten | 1st grade | 2nd grade | 3rd grade
--- | --- | --- | --- | --- | --- | ---
Age | 0-3 | 4 | 5 | 6 | 7 | 8

3. Comprehensive System of Formative Measures
   - Formative Measures:
     - Physical well-being and motor development
     - Social-emotional development
     - Approaches toward learning
     - Language and emergent literacy
     - Cognitive skills including mathematics

4. Mandatory Measure of Readiness at Kindergarten Entry

5. Growth Measures

## 1003g Early Learning Model-IN Conditions

### Early Learning Model Menu of Interventions

**Early Learning Model** focuses on transforming the school through establishing or expanding a high-quality preschool; developing and increasing teacher and school leader effectiveness; implementing comprehensive instructional reform strategies; and providing high-quality, job-embedded professional development for staff.

### Developing and increasing teacher and school leader effectiveness

- **Replace Principal with one who has a past track record of student success and the ability to lead the transformation effort (IN Turnaround Principle 1)**

**Required**

- Replace Principal with one who has a past track record of student success and the ability to lead the turnaround effort

**IN Conditions**

- Use the current principal selection (per IN’s ESEA flexibility waiver Focus and Priority requirements) to determine if the current principal has the ability to lead the transformation effort in the school **OR** Hire a new principal based on the six key competencies for effective pre-k – 3 principals – including: embracing the Pre-K-3 early learning continuum; ensuring developmentally-appropriate practices; providing personalized learning environments; using multiple measures of assessment to guide student learning growth; building professional capacity across the learning community; making the school a hub of Pre-K-3 Learning for families and communities ([http://www.eschoolnews.com/2014/10/17/competencies-effective-principals-623/2/](http://www.eschoolnews.com/2014/10/17/competencies-effective-principals-623/2/))
- Provide the principal with a mentor from a high-performing Pre-K institution, IACCRR coach, or external or university partner with early learning programming
- Principal will attend a minimum of two early learning specific professional development activities per year. IDEO will provide recommended early learning opportunities
Creating community-oriented schools
- Providing ongoing mechanisms for family and community engagement (IN Turnaround Principle 8)

**IN Condition**
- Develop a kindergarten transition protocol and regularly share with parents and families
- Teachers intentionally and regularly communicate learning objectives to families which are aligned to IN Early Learning Foundations – via parent events, etc.

**Options**
- Implement culturally competent family and community engagement programs focused on instruction and academic performance
- Engage community partners to provide wrap-around services for students and families
- Create a process to involve family members in school decision-making
- Communicate intentionally with families on a regular basis to share data, student progress, and areas needing support
- Utilize a method of gathering stakeholder feedback that informs goals and ongoing progress monitoring
Developing and increasing teacher and school leader effectiveness

- Use the current principal selection to determine if the current principal has the ability to lead the transformation effort in the school OR Hire a new principal based on the six key competencies for effective pre-k – 3 principals
- Provide the principal with a mentor from a high-performing pre-K institution, IACCRR coach, or external or university partner with early learning programming
- Principal will attend a minimum of two early learning specific professional development activities per year.
Comprehensive instructional reform strategies

• School leaders verify the curriculum being delivered is aligned to the IN Early Learning Foundations by frequent classroom walk-thrus, lesson plan reviews, and reflective feedback to teachers

• An age- and developmentally-appropriate curriculum and assessment system that is used to guide practice, improve programs, and inform kindergarten readiness

• Provide staff with collaborative opportunities to analyze data and respond to learning needs of students (e.g., Professional Learning Communities)
Creating community-oriented schools

• Develop a kindergarten transition protocol and regularly share with parents and families

• Teachers intentionally and regularly communicate learning objectives to families which are aligned to IN Early Learning Foundations – via newsletters, parent events, etc.
Providing operational flexibility and sustained support

- LEA must provide the principal:
  - control over people, time, program, and dollars
  - an opportunity to present updates and progress to the local school board at least twice a year in a pre and post manner
Providing operational flexibility and sustained support

- LEA must have in place the following pieces to demonstrate how they will provide effective oversight and support for implementation of interventions in their school(s):
  - Defined district role in the school SIG planning process
  - Designated central office staff member to be part of the SIG process
  - Written support and commitment from local teacher’s association regarding flexibility for SIG implementation
  - Monthly monitoring of SIG programming and implementation
  - Evaluation System for programming and implementation of SIG
  - Data review plan
  - Special Populations review plan
  - Fiscal monitoring plan
  - Timeline and responsible parties for all above plans
Part 6: Outcome Artifact

Schools will be required to produce a tangible “outcome” piece to be shared with IDEE and published on IDEE website as resources for other schools for each year of the grant. This “outcome” piece will serve as the culminating piece of the yearly grant, as well as a piece of monitoring. “Outcome Artifacts” will be due summer of each year. Possible “Outcome Artifacts could include: mini-lesson video, recording of students working on an activity, WebEx, How-To One-Pager, Blog, Podcast. “Outcome Artifacts” should be linked to goals of your SIG grant, as well as one of the following areas: Leadership, Effective Instruction, or Interventions/Data.

*Schools may have the opportunity to change the outcome artifact after work with grant begins. IDEE will work with grantees to determine best artifact after work begins. Examples of promising practices: [http://www.doe.in.gov/titlei/promising-practices-title-i-schools](http://www.doe.in.gov/titlei/promising-practices-title-i-schools)

Briefly describe what the school will plan to submit as an “Outcome Artifact” at the end of SY 2015-16 and how this will be aligned to your grant and the key area.
