Preschool Development Expansion Grantee Peer Exchange
Professional Learning Communities to Build Local Leadership Capacity

December 8, 2015

Education Development Center (EDC)
1025 Thomas Jefferson Street NW, Suite 700 West
Washington, DC 20007

Meeting Goals:

Participants will hear about two models of professional learning communities they are implementing in their states to build LEA or other local organizational leadership.

- Learn about two state models of professional learning, including funding, audience, and outcomes.
- Discuss challenges and lessons learned addressed as PLCs evolved over time.
- Create a plan for implementation of such a program/PLC in their state.
- Engage in follow-up technical assistance to include problem-solving implementation issues that arise, sharing successes, and adding to the collection of models of implementation of PLCs.
